NON-TECHNICAL SKILLS

- Communication skills
- Leadership
- Team work

OBJECTIVES

Aiming to transition in my focus on mastering new skills and building websites. Skilled in web technologies such as HTML, CSS, and JavaScript, and Python there's a keen eagerness to deepen understanding in these areas. I am looking for an internship or entry-level position where I can apply my knowledge while utilizing my skills to contribute to the success of the organization and grow professionally.

PROJECTS

- **Starbelly(Restaurant Application)**
Created a dynamic restaurant website utilizing PHP for backend functionality and MySQL for database management with HTML/CSS for frontend design, deployed on an XAMPP server.
- **VAAV(Gaming room management Application)**
Developed a dynamic gaming room management website using PHP for the backend and HTML/CSS for frontend design.

CERTIFICATE
